A bestseller in the collection for over 20 years, KC is an exercise in restraint. It can be paired with formal chairs, informal chairs, benches, stools, or your own unique variety. With a nod to Japanese sensibilities, its quiet silhouette stands the test of time beautifully. Through tenons along the side and (optional) top add visual interest and complexity. Signed and dated.

Custom dimensions and woods available.

shapiro joyal studio furniture is made to age gracefully. All our lumber is carefully chosen, with grain clarity, strength and overall beauty at the forefront. Our designs stay intentionally quiet, working in tandem with beautiful materials to create a cohesive and timeless design. Woods will become enhanced with age, resulting in a rich patina that is treasured by collectors and easily recognizable as coming from a company that makes quality its priority.
