The April coffee table was added to the collection after the success of the April low console. Substantial, spacious and elegant, it's a table made to be enjoyed by many in a great room or den. Lower shelves provide generous storage area for books, pottery and throw pillows. Notched detail at top and lower through tenons complete the look. Signed and dated.

Custom dimensions and woods available.

shapiro joyal studio furniture is made to age gracefully. All our lumber is carefully chosen, with grain clarity, strength and overall beauty at the forefront. Our designs stay intentionally quiet, working in tandem with beautiful materials to create a cohesive and timeless design. Woods will become enhanced with age, resulting in a rich patina that is treasured by collectors and easily recognizable as coming from a company that makes quality its priority.

Handmade in Los Angeles since 1998.
