As the demand for more lighter, portable furniture has increased, our June stool has beautifully answered the call. Made of solid wood, this sturdy, compact little stool may be used comfortably in every room of the house. As chic seating around a low table, or an easy solution alongside a platform bed, the June stool features smooth open slots for convenient transport. The floor of the stool creates stability as well as a shelf for pottery or reading material. Easy to move. Easy to use. Easy to love! Clear hand applied finish. Signed and dated.

Custom dimensions and woods available. Hand stained options available.

shapiro joyal studio furniture is made to age gracefully. All our lumber is carefully chosen, with grain clarity, strength and overall beauty at the forefront. Our designs stay intentionally quiet, working in tandem with beautiful materials to create a cohesive and timeless design. Woods will become enhanced with age, resulting in a rich patina that is treasured by collectors and easily recognizable as coming from a company that makes quality its priority.

Handmade in Los Angeles since 1998.
