Closed solid wood legs flank two drawers, one small and one extra long, forming a perfectly proportioned piece that looks great in a wide range of interiors. Its clean lines allow it to pair seamlessly with any type of seating. Pair it with a low Japanese stool or a vintage chair for color and character. Signed and dated.

Leather top available.

shapiro joyal studio furniture is made to age gracefully. All our lumber is carefully chosen, with grain clarity, strength and overall beauty at the forefront. Our designs stay intentionally quiet, working in tandem with beautiful materials to create a cohesive and timeless design. Woods will become enhanced with age, resulting in a rich patina that is treasured by collectors and easily recognizable as coming from a company that makes quality its priority.
