TT is a quiet, sculptural bench that can be used on its own or as impromptu seating. Exquisitely crafted legs intersect the platform, giving a floating appearance, and resulting in a beautifully sophisticated design. Signed and dated.

Custom dimensions and woods available.

shapiro joyal studio furniture is made to age gracefully. All our lumber is carefully chosen, with grain clarity, strength and overall beauty at the forefront. Our designs stay intentionally quiet, working in tandem with beautiful materials to create a cohesive and timeless design. Woods will become enhanced with age, resulting in a rich patina that is treasured by collectors and easily recognizable as coming from a company that makes quality its priority.

Handmade in Los Angeles since 1998.
