

### **Totem Bookcase**

A beautiful merging of positive and negative space allows the Totem bookcase to offer generous storage while remaining light in appearance.

The creative merging of positive and negative space allows our Totem bookshelf to offer generous storage while remaining light in appearance.

With thick shelves for books, pottery and collectables, the fully finished back makes it suitable for use as a room divider, and three deep drawers along the base anchor the design both visually and functionally.

### **Provenance**

Designed in 1998 by Leslie Shapiro Joyal.

### **Materials**

Solid wood with hand applied clear oil finish.
